STERLING—10-K GOLD TRIM

The Very Newest **AUXILIARY RING**

● This exquisite and dainty miniature "service type" Auxiliary ring is the very newest of Auxiliary jewelry. Each is custom made with your choice of the twelve official and approved birthstones listed below. Like its larger companion Legion ring, which is being featured this year, this brand new Auxiliary ring skillfully combines 10-K gold with sterling to produce a rich, expensive-looking ring, at a very moderate price. In ordering, be sure to specify the exact ring size and the name of the stone desired.

RING SIZES

Cut a slip of paper or string that will fit snugly around the second joint of the finger on which the ring is to be worn. This must be done carefully and accurately to insure a proper fit. Lay the paper or string with one end exactly on line "A," and the other end will indicate the correct ring size. Rings also furnished in half-sizes, i.e., 7½, 10½, etc.

HERE'S YOUR 1939 AUXILIARY CATALOG!

This latest catalog of official American Legion Auxiliary regalia and supplies features brand new quality merchandise at exceptionally fair prices. An unconditional guarantee goes with each and every purchase, and your complete satisfaction is, therefore, assured. If you are not absolutely satisfied, your money will be promptly refunded in full, upon return of the merchandise.

The Emblem Division is required to operate on a strictly cash basis by a national convention mandate. (No charge orders can be accepted.) All orders, therefore, should be accompanied by remittance in full payment, with checks or money orders made payable to the Emblem Division, The American Legion.

The American Legion Auxiliary has an enviable record of distinguished and unselfish public service. Yours is a distinct privilege—that of being eligible to wear the Auxiliary emblem. It is an honor and distinction of which you can justly be proud.

We are at your service, and it will be a genuine pleasure to accord your order immediate and special attention.

Sincerely yours,

E. O. MARQUETTE, Director, Emblem Sales.

Unit Caps

These distinctive Unit caps are expertly tailored from the finest of materials. They will effectively and economically solve your uniform problem, especially on Memorial Day. If you have never enjoyed owning an Auxiliary cap, there is a real treat in store for you. Order yours now!

DESCRIPTION—Overseas type, made of 14-oz. blue uniform cloth, with the emblem beautifully silk embroidered in colors. The inscription is likewise embroidered in pure silk thread. All Auxiliary caps are piped and lettered in white, and are not available with gold trimming and lettering, which is reserved exclusively for Legion caps. Furnished only in standard head-sizes, and in ordering, please be sure to specify correct head-sizes, as caps are not exchangeable. Two weeks required for delivery.

LETTERING—Standard lettering provides for Unit number on right side and State name in full on left. If desired, Town name in full with State name abbreviated may be substituted for an additional charge of 35c per cap. Additional or special types of lettering extra. Prices on request.

PRICE

Caps, with standard lettering (any quantity), \$2.15 each. See lettering instructions for special inscriptions.

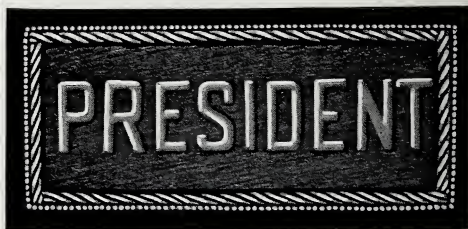

NOTE: Remittance must accompany order. No C. O. D. shipments.

Cap Insignia

Beautifully made in genuine gold bullion and silk embroidery. Either type can be quickly and conveniently attached.

PRICE Present Officer Type.....\$1.00 each

Colors and Flags

Unit Colors

Unit colors are now available in four qualities—two silk and two wool, at a wide range of prices, within the reach of every Auxiliary Unit.

Both grades of silk flags are made to the same rigid specifications and are identical in every respect with the exception of the weight of the silk. Grade 1 silk flags are made of heavy, U. S. Government quality silk. Grade 2 silk flags are made of the same quality silk, identical in appearance, but slightly lighter in weight. The equipment, workmanship and appearance of both grades are identical.

Wool flags are likewise made to the same specifications and are identical excepting the Grade B flag is single instead of double thickness material. Both flags are made of U. S. Government quality wool bunting.

PRICES *F.O.B. New York City*

Unit Standards are Lettered with Name and Number of Unit and Name of City in which Unit is located.

SPECIFICATIONS

SIZE—All Auxiliary flags are 3 x 5 feet in size.

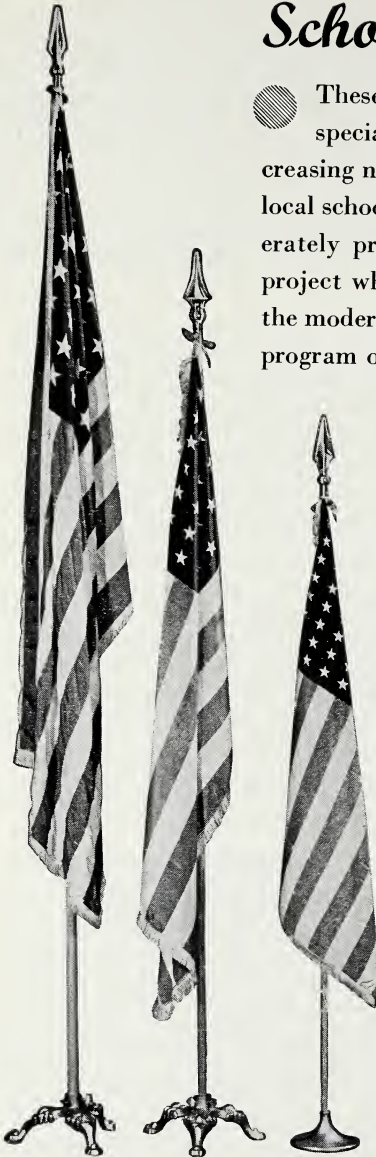

DESCRIPTION—Silk U. S. flags are made with embroidered stars and sewed stripes. Wool U. S. flags are made with sewed stars and sewed stripes. Silk Unit banners are made of double thickness material, with the emblem and lettering reading correctly on both sides. The insignia and lettering are executed in pure gold leaf. Grade A wool Unit banners are made with double thickness material, with painted (oil color) emblem, and with gold sateen applied lettering. Grade B wool Unit banners are identical with the exception they are single thickness material. The emblem and lettering appears on both sides, with the inscription reading reversely on the back. The double emblem, however, is reproduced correctly (oil colors) on both sides.

MOUNTING—All flags and banners are trimmed on three sides with two-inch yellow silk bullion fringe and ornamented with a pair of six-inch yellow silk tassels with nine feet of yellow silk cord. Each is mounted on an eight-foot polished antique oak pole, fitted with double brass screw joint and surmounted with a six-inch solid brass eagle.

EQUIPMENT—Each flag is equipped with a genuine leather carrying belt and a heavy oil cloth rain cover which is interlined with heavy canvas.

School Flag Sets

● These three beautiful silk American flag sets have been specially designed for schoolroom use. The steadily increasing number of Units who are presenting flag sets to their local schools will welcome these beautiful, practical, yet moderately priced sets. Here is an outstanding and worthwhile project which even the smallest Unit can sponsor because of the moderate cost involved. Put the School Flag Presentation program on the "must" list of your Unit this year.

Home Flag Sets

To facilitate the procurement of a practical, attractive, yet durable U. S. flag set for home use, we present herewith, two specially designed flag sets, with two different qualities of flags. Both sets are furnished with a beautiful white lacquered pole, ornamented with a gilt ball, and, depending upon your preference, you have the choice of a beautiful silk flag or a substantial Government quality woolen bunting flag. The lawn type set is furnished with special equipment for displaying in the front yard of your home, and the other has a shorter pole and comes with a special window attachment for display of the flag from an upstairs window or porch railing.

Here for the first time is a specially designed U. S. flag set for home use—and at a very attractive price range. Every Auxiliary home should have one of these U. S. flag sets for home display.

Special Note: The prices mentioned below are for single sets. Units desirous of purchasing in quantities for resale to home owners in their community are invited to write for special quantity prices.

Grave Markers

The official Auxiliary grave marker authorized by the 13th National Convention, is now available with two types of rods—the conventional 30" rod, and a shorter, jointed rod, which permits the marker to lie flush with the ground. The marker proper is unchanged, and is still available with cast on inscriptions on the reverse side, regardless of the type of rod selected.

The short rod type Auxiliary marker complies with the latest requirements of cemetery associations and has certain distinct advantages over the conventional 30-inch type of marker, which heretofore has been supplied exclusively. See sketch at lower left.

In ordering, be sure to specify style number, to insure correct execution of your order.

The new short jointed type of rod, furnished with the Style B flush-with-the-ground grave marker, is interchangeable with the long unjointed 30-inch rods previously furnished. Units desiring to convert the old type marker into this latest type can do so by merely purchasing a sufficient quantity of the short jointed Style B rods.
